Surgical Instruments

We started Manufacturing in 1973. Now as one of the leading global provider of surgical instruments,

DHS has major distributors located throughout Europe, Africa's, the Middle East and Far East Asia.

Durable maintains its leadership in innovation by working closely with its distributors and surgical practitioners to develop new products according to their needs.

Dental Instruments

Durable Dentals has a good name in dental instruments manufacturing and it started in year 1984. Today, we take a broader view of the value we offer our customers. We are focused on delivering the highest quality product and service in the dental industry in order to help dental professionals perform at their best.

"Durable wants to keep you Smiling"

Laryngoscopes and ENT Devices

Due to big demands from existing and new customers, we started Manufacturing Laryngoscopes and other ENT devices in 1995 which gave good support to customers and our company and since that period this product line became one of the core lines and this is the reason we are investing heavily in R&D to make our products more innovative.

Stainless Steel Hollowware

Durable has been using best Stainless steel Grade AISI 304 Non-magnetic with the thickness of 0.07mm to manufacture its Hollowware to keep its promise for Durability.

We started manufacturing these in 2001; our standard range includes all types and sizes in Sterilization Drums, Instrument Trays, Containers, Bowls, Bedpans, Kidney Tray and other ward accessories. Whatever the quantity requested. The Company uses traditional sales channels (wholesalers and distributors) as well as distributing its own products throughout the world.

Customers with the new product design are always welcome for custom manufacturing.

Hospital Furniture

Our latest addition of product line is Hospital Furniture and we are one of the few leading manufacturer of Stainless steel accessories for wards,

doctor's room furniture, Examination and Gynaecology couches, Stools, Examination lamps, Stands for drip feeds, Stainless Trolleys from Sialkot, Pakistan,

We offer all our furniture in knock down construction with easy assembling manuals; it keeps the freight cost low and helps delivering it any part of the world.
